Jute Bags

Product Catalogue 2026

NATURAL MATERIALS. CONSIDERED DESIGN.

Jute, cotton and composite bags from our listed collection.
Made with our Bangladesh manufacturing partner — 40+ years of experience.

Our collection

EcoBridge connects buyers with bags and packaging from Bangladesh, one of the world's largest jute-growing regions. Our manufacturing partner brings more than 40 years of experience and a reputation in the international jute market for quality and competitive pricing.

Sustainability and ethical sourcing guide our partner's approach to raw materials and manufacturing.
